**RESPONDENT'S PROFFER ON AWARD OF COMPENSATION**

On December 5, 2016, Mary Mancina (“petitioner”) filed a petition for vaccine injury compensation alleging that she suffered a left shoulder injury related to vaccine administration (“SIRVA”), which was caused-in-fact by an influenza (“flu”) vaccination administered on December 5, 2014. Respondent filed his Rule 4(c) Report conceding entitlement to compensation on July 12, 2017. The Chief Special Master issued a Ruling on Entitlement on July 14, 2017.

**I. Items of Compensation**

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$83,078.50, which represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).<sup>1</sup> Petitioner agrees.

---

<sup>1</sup> Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

**II. Form of the Award**

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment of \$83,078.50 in the form of a check payable to petitioner.<sup>2</sup> Petitioner agrees.
